🇺🇸Conversation between Y and Tessa
🇧🇷Conversa entre Y e Tessa

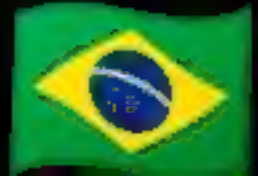
X e Z saíram, e Y foi para o quarto onde Tessa estava

Y: Z saiu pra procurar essa J que você mencionou, eu vou ficar aqui te monitorando

Tessa: Tudo bem, mas por favor, não machuquem a J, ela não fez nada de errado, ela só estava com medo, J sempre foi uma boa robô, eu já até fui punida por tratar ela bem

Y olhou pro chão, desviando o rosto para que ela não pudesse notar a expressão de pânico

Y: Essa não... Vão m*tar ela...



Y: Z went out to look for this J you mentioned, I'll stay here monitoring you

Tessa: Okay, but please don't hurt J, she didn't do anything wrong, she was just scared, J was always a good robot, I was even punished for treating her well

Y looked at the ground, averting her face so she couldn't notice the panicked expression

Y: Not that...

Y looked at the ground, averting her face so she couldn't notice the panicked expression

Y: Oh no... They're going to k*ll her...
